

T-SHIRT DESIGN CONTEST

ARTIST OF WINNING DESIGN WILL RECEIVE \$50

Goodwill of the Southern Alleghenies, Pennsylvania CareerLink Cambria County, and Johnstown's Vision 2025 has partnered to create a combination summer workforce development and community project program named the **Johnstown Youth Corps (JYC)**. The JYC is designed to provide youth who are ages 16–24 with paid work experience through the completion of a variety of pre-planned projects throughout the city of Johnstown. The 9-week program will employ 10 youth for up to 30 hours per week from June through August.

The vision for the project is twofold: *"First, participants will realize a sense of physical accomplishments, be exposed to new places and people, and experience integrated exploration participating in service learning. Second, the community will see and experience the accomplishments of the youth who are helping to further the goals of community groups"* (Bradley R. Burger, Goodwill's President/CEO).

The JYC is funded in part by the Community Foundation for the Alleghenies' Community Initiative Fund and the Southern Alleghenies Workforce Development Board, the region's leader and active partner in workforce development efforts.

Contest Guidelines:

- Applicants must be attending school within Cambria County and be between the ages of 16 –24.
